

**Franks' Field and Family Goldens**  
**Purchase and Health/Replacement Guarantee**

**Under the terms of this health agreement, both parties' consent to the following conditions of the sale of the Golden Retriever Puppy below:**

**Gender:**  Male  Female

**Sire of Puppy:** \_\_\_\_\_

**Dam of Puppy:** \_\_\_\_\_

**The Breeder of above puppy, Franks' Field and Family Goldens, agrees to the following:**

- The puppy has been examined by a licensed Veterinarian and was found to be in good health. The puppy has also received its first set of shots and dewormed as recommended.
- Please note, every reasonable precaution has been taken to prevent this puppy from developing hip or elbow dysplasia or any hereditary health conditions. While health testing significantly reduces risk, no testing method is foolproof. Because both hereditary and environmental factors can contribute to health issues, conditions, or defects, the Breeder offers a limited guarantee as outlined in this Agreement.
- Breeder will replace puppy if:
  - 1.) Your puppy is diagnosed with Moderate or Severe Hip or Elbow Dysplasia.
    - a.) X-Rays must be taken before 26 months.
    - b.) Proof must be sent to us (OFA Letter)
  - 2.) Your puppy is diagnosed with Juvenile Cataracts.
    - a.) Puppy must be diagnosed by a licensed Diplomate of the American College of Veterinarian Ophthalmologists.
    - b.) Puppy must be diagnosed by age of 26 months.
    - c.) Proof must be sent to us (Copy of Ophthalmologist Report)
  - 3.) Your puppy is diagnosed to have SAS (Subaortic Stenosis)
    - a.) Puppy must be diagnosed by a Licensed Board-Certified Cardiologist.
    - b.) Puppy must be diagnosed by 26 months.
    - c.) Proof must be sent to us (Copy of Cardiologist Report)
- Breeder does not guarantee color, size, championship, or temperament of any puppy, and will not be held responsible for any vet expenses after the puppy has left our premises. We sell our puppies to pet homes.
- Breeder is not responsible if puppy contracts a communicable disease after leaving Breeder's possession.

### The Buyer(s) Agree(s)

- Buyer agrees said dog will be given proper grooming and medical care, including but not limited to vaccinations, annual boosters and regular deworming.
- Buyer agrees puppy is not being purchased for resale and will never be sold to a pet shop, puppy mill or agent of the same. Buyer must contact Breeder before rehoming for any reason.
- Buyer will provide adequate housing away from the elements. Dog will NEVER be left on a chain.
- Buyer agrees this dog is being sold on limited registration That the purchase price for the puppy shall be \$1600 (Male) \$1800 (female). A non-refundable deposit of \$300 will reserve the above puppy. If there is not a puppy available when born of the sex requested, you will have choice of refund or move deposit to another litter. The CASH balance at time of pick up is \$1300(M) or \$1500(F) (limited registration) plus the costs of shipping if required are due before the puppy is released. Puppy must be picked up at 8 weeks on designated weekend or there will be a \$30/day fee. Any replacement puppy will be subject to the same terms outlined above.
- Buyer agrees that if the dog is bred or an attempt to breed is made at any time, all guarantees and warranties provided under this Agreement shall immediately terminate and become void. This Contract is Null and Void if this puppy is bred before age of 2 years old, sold, given away, or is traded for another. Puppy is sold on limited registration so puppy must not be bred its course of life. If any of above said statements have been violated per agreement breeder has right to request litter(s) to be tested at buyers' expense and buyer is subject to a \$5000 fine plus any court fees incurred payable to Breeder.
- Buyer agrees that this is a live puppy and with every precaution that has been taken, agrees we cannot guarantee that the puppy will never become ill or need routine veterinary care. Conditions common to Golden Retrievers, including but not limited to allergies, hot spots, ear infections, skin issues, autoimmune disorders, hypothyroidism, epilepsy, and cancer, are not covered under this guarantee. While health testing reduces the likelihood of hereditary conditions, no testing method can guarantee that a dog will be free from all genetic or environmental health issues. Due to the unknown hereditary and environmental factors that can contribute to health conditions or defects, we offer a limited guarantee.
- Buyer agrees that this guarantee is non-transferable. Puppy must be owned by original owner named in this agreement. The puppy is to be in good physical condition. No replacement will be given if dog has been bred. A reputable licensed veterinarian must do all laboratory verification, an ophthalmologist must be seen for eyes and a cardiologist must be seen for heart. The buyer/owner is responsible for all transportation costs to and from the breeder. The breeder is not responsible for any veterinarian expenses accumulated on returned or replaced dog or puppy.
